Raising Champions for Christ

ABOUT FBCA

FBCA's purpose is to train our students in the way of life presented in the Bible, while providing a safe and nurturing learning environment. We exist to assist parents in providing an excellent education for their children rooted in a Christian Biblical worldview. A quality Christian Education

can be a great catalyst in a student's life for faith in Jesus Christ, the development of strong Christian character, high intellectual achievement and solid social skills. We seek to develop the whole student by addressing the physical, academic, social, emotional, and spiritual needs of each student. This goal is reflected in our schedule, our curriculum, our literature, and our school events and programs.

Since its inception, FBCA has grown each year by a grade level or more. We currently offer classes for 2 year-olds through the twelfth grade.

FBCA partners with the Florida STEP UP for STUDENTS Scholarship program. For more information or to apply online, visit: www.stepupforstudents.org.

SMALL CLASS RATIOS

We believe in providing the best environment to help facilitate learning. At FBCA, you will find a low teacher-student ratio. Our preschool ratio is 1:10 and our grade school ratio is 1:12. Smaller class sizes allow for more individualized attention, which leads to positive effects on student performance. Our teachers are trained, certified and caring; they are dedicated to our school's philosophy of integrating the Christian viewpoint and attitude into every area of learning.

ACADEMICS

The A Beka curriculum is used to provide students with the best possible program of studies appropriate for each grade level and emphasizing mastery of the fundamentals necessary for satisfactory growth and achievement. This curriculum allows us to infuse Christian teachings and principles in each learning activity. Opportunities are available for each child to experience challenge and success on a daily basis. We utilize standardized testing in the spring to monitor the progress of our students from year to year.

Our program offers...

-  Christian-based curriculum
-  Daily Bible Study
-  Weekly Chapel
-  Spanish
-  Music
